Instructor: MACARTHUR,KELLY A;
Subject: Mathematics **Course #:** 4910 - 001 **Enrollment:** 5
Course: Internship-Math **Evaluations processed:** 5

List two things about the course content, materials or design that were effective for your learning, or make constructive suggestions for improvement.

- Great opportunity. Perhaps this course could be offered every semester so that we have fewer students in the class and each student can have a larger group of 1010 students to work with, (or at least to increase the likelihood that we have students to work with.)

MACARTHUR,KELLY A: List two things about this instructor that were effective for your learning, or make constructive suggestions for improvement.

- She is positive and reassuring which is very encouraging as we are trying something still new to us.
