*You may also want to do the even problems for N1-N4, since you already did all the odd problems for homework.

The exam covers sections N1-N4, 1.1, 1.3, 1.5, 1.6, and 2.1-2.3. You will not need your calculator for this midterm.

You can bring a 4x6 inch note card of notes (on both sides, if you want) to use as a reference. Make sure it's truly a 4x6 card and not something that closely resembles a 4x6 card. If you need one, I can provide one for you.
